

Foreword

Hello friends of historical rallying,
welcome to our monthley news from the world of historical rallying and from RREvents, the organizers of **Coppa d'Europa** en **Coppa d'Europa GT**.

A SHORT LOOK BACK AND A QUICK PREVIEW OF 2027

Now our 'Anniversary Coppa' is already almost 3 months behind us, and it's time to get in touch and say thank you!

As befits an anniversary event, this 20th Coppa went off to everyone's satisfaction. A lovely 'colourful' line-up, with participants from many countries and lots of interesting vehicles, set off in Maastricht on 26 March.

After three days and a route through the Netherlands, Belgium, Luxembourg, France and Germany, we reached our destination in Oberursel, where we wrapped up the Coppa with a fine buffet and a lively awards ceremony.

Now we are getting ready for the 21st Coppa d'Europa, which, passing through 4 countries, will take place next spring, from 11th-14th March 2027.

The starting point will be Vlodrop, near the German/Dutch border. The first overnight stay will be in Bad Breisig, right on the beautiful Rhine. For the second overnight stay, we'll head to the "Wagner city Bayreuth" and from there we take an exciting long loop through the Czech Republic to the destination, the cultural city of Dresden on the Elbe.

Please save the date (11th-14th March 2027)!

More information will be coming soon...
